Re: Wexler v. Dorsey & Whitney LLP, 1:18-cv-3066 (RRM)

Dear Judge Mauskopf:

I write as counsel for both defendants in this case in response to the letter to Your Honor from plaintiff Shimshon Wexler filed earlier today requesting jurisdictional discovery.

I apologize for writing a second letter to the Court on the same day, but I believe it would expedite things and save judicial and party resources by my informing the Court that there are no partners of the defendant Dorsey & Whitney LLP with a residence in the State of Georgia, the domicile of plaintiff. If required, I would be prepared to file an affidavit to that effect. Accordingly, inasmuch as defendant Artin Betpera is a resident of the State of California, there appears to be complete diversity and no need for jurisdictional discovery.

Respectfully,

/s/ Jonathan M. Herman
